SUPERVISORS HOLD REGULAR MEETING

Great Western Power Company Asks for Right to Compete for Business in County

The Board of Supervisors met in regular session Monday, Feburary 5th, there being present P. H. McEvoy, presiding, D. E. Blackburn, Wm. H. Brown, Jas. T. Casey and Joseph M. Francis.

Motorcycle Patrolman M. F. Brown of the Second township reported as follows: Since last report five arrests and three convictions; three cases pending; fines $45.

Patrolman George Lowans reported as follows: Since last report nine arrests and seven convictions; two cases pending; fines $90.

District Attorney Swart presented the returns of an election held at Millbrae January 25th at which bonds amounting to $15,000 were voted for school purposes. The bonds are to run fifteen years and bear interest at the rate of 5 per cent per annum, payable semi-annually. A total of 53 votes were cast, 48 of which were in favor of the bonds.

The returns were accepted by resolution on motion of Casey, seconded by Brown, and the bonds will be offered for sale March 4th.

James T. O'Keefe appeared on behalf of Charles Hirrel of San Bruno, whose application for a liquor license had been denied at the last meeting, and asked that the applicant be given a hearing. He had a petition signed by a number of the residents of San Bruno favoring the issuance of a license to Hirrel.

Mr. O'Keefe was directed to have his client present and a new application which would be heard at the proper time.

Chris Eskelson of the San Mateo City Homestead addressed the board regarding the closing of streets at that place, against which a petition had been presented at the last meeting.

District Attorney Swart, to whom the matter had been referred, stated that there was no doubt that the streets had been formally dedicated to public use. It was not a matter that came within his jurisdiction, but for the people who are interested to take cognigance of. He was willing to give his assistance.

Bown was of the opinion that the streets were regularly dedicated to the public as he recalled, during his former incumbency as a supervisor, the losing of certain streets at theHomestead by resolution, which was good evidence that the streets were public property.

Attorney Archer Kincaid presented the affidavit of publication showing that the application of the Halfmoon Bay Light and Power Company for a franchise to erect poles and wires in the First township had been legally advertised.

The clerk was then directed to proceed with the opening of bids. But one was presented, that of J. J. Gomez, who offered $25 for the franchise.

The bid of Gomez was accepted on motion of Francis, seconded by Blackburn, and the franchise was regularly granted to him by ordinance adopted on motion of the same supervisors.

The returns of an election held at Halfmoon Bay were presented by Attorney Kincaid at which election a majority vote was cast in favor of the establishment of a lighting district in the town of Halfmoon Bay. One hundred and twenty-four votes were cast, 118 being in the affirmative and 3 against.

A resolution was adopted on motion of Francis, seconded by Blackburn, declaring the result as shown by the returns.

A map of Redondo View, in the Fourth township was presented and adopted for record on motion of Francis, seconded by Blackburn.

District Attorney Swart stated that he had investigated the complaint of the school superintendent regarding the closing of Ransome stret near the Vista Grande school house and found that that thoroughfare had been dedicated to the public. Mr. Swart had written to a gentleman in the First township to find out if the street had been used but had not yet had an answer, and until he had this information he would not be able to proceed.

On motion of Blackburn, seconded by Casey, the district attorney was granted until the March meeting to report on the matter.

J. H. Hornung, representing the Great Western Power Company, applied for a franchise to erect poles and wires on and across the county roads for the purpose of supplying light and power for a period of 50 years.

On motion of Casey, seconded by Brown, the clerk was directed to publish a notice offering the franchise for sale, bids to be received at the meeting on April 1st.

Attorney Kincaid representing the Halfmoon Bay Light and Power Company, applied for a franchise to erect a line of poles and wires through Jefferson school district in the First township to connect with the Great Western Power Company's proposed line on the north and the company's present franchise on the south, running to Halfmoon Bay

The clerk was directed to publish the usual advertisement, giving notice that the franchise would be offered for sale April 1st.

Judge Fitzpatrick appeared on behalf of the A. L. Young Machine Company whose claim of $2559.85 for culvert pipe furnished the Fifth township had been refused payment, and asked the board to take some definite action on the claim—either pay or reject it.

McEvoy said that as far as he was concerned he was willing to pay the claim less $645, which amount was, according to the sworn testimony that had been given to the board, an overcharge.

Blackburn moved that the claim be paid for its full amount. Brown seconded the motion, and in doing so stated that he desired to have the claim disposed of as a matter of fairness to the Young Company. A vote was taken and the motion was declared lost.

Francis moved that the claim be allowed for $1914.85, which motion was seconded by Casey and carried.

Mr. Fitzpatrick intimated that his client would not accept the lesser amount, but would sue for the face value of the claim.

Harry E. Styles presented a petition signed by residents of the San Mateo City Homestead asking the board to declare Ivy street a public highway, it having been used as such for over five years. The homestead school fronts on this thoroughfare, which is already partially closed and it was feared that it would be closed altogether.

A resolution was adopted on motion of Brown, seconded by Blackburn, declaring Ivy street a public highway. Brown stated that he would take steps at once to improve the street.

A protest signed by a large number of residents of the Belle Air tract was presented by D. J. Lynch in opposition to the opening of Sylvian avenue across the railroad to San Bruno. The protestants suggested that Angus avenue, if opened across the railroad, would be more suitable to the public,

Mr. Lynch stated that the protest was presented in opposition to a petition heretofore presented by J. M. Custer, asking the opening of Sylvian avenue.

Casey moved that both petitions be laid over indefinitely until both factions at San Bruno could come before the board, agreeing as to what what they wanted. He was seconded by Francis and the motion carried.

Vincente Canacho of Halfmoon Bay, aged 70 years, representing that he was unable to earn a livelihood, petitioned for assistance. On motion of Francis, seconded by McEvoy, he was granted $8 per month.

Mrs. Francis Williams of Montara was granted a monthly allowance of $6.25 for each of her two half-orphan children on motion of Francis, seconded by Blackburn.

Mrs. F. M. Railton of Vista Grande was granted an allowance of $6.25 monthly for each of two abandoned children that had been in her charge several years, on motion of Casey, seconded by Blackbun.

Lena Peters of San Mateo was granted $6.25 monthly for the support of her half-orphan child, on motion of Brown, seconded by Casey.

The application of Mrs. A. Belloni of South San Francisco for aid for her five half-orphan children was referred to Supervisor Casey.

Coroner and Public Administrator Plymire reported the sale of the personal effects of certain deceased persons.

The board of supervisors of Placer county sent a communication stating that it favored one large building for housing the exhibits of the various counties at the 1915 exposition.

The clerk was directed to inform the Placer supervisors that the San Mateo county board was likewise in favor of one building.

The Oakland chamber of commerce sent a communication asking for county literature. The matter was referred to the County Development Association.

A communication was received from the State Highway Commission, asking for county maps. Referred to the surveyor.

In view of the fact that work would shortly be commenced on the State highway through this county, Brown moved that a committee of three members of the board be appointed to meet with the State commission when necessary and look out for the county's interests.

Blackburn seconded Brown's motion, suggesting the committee consist of the three members through whose districts the highway would be built.

The motion was carried and the chairman appointed Casey, Brown and himself as members of the committee and advised that each get actively to work when the road-building shall have begun.

On motion of Casey, seconded by Brown, the following resolution was adopted:

"Resolved, By the Board of Supervisors of the County of San Mateo, in regular session this 5th day of February, 1912, that they affirm their resolve to provide such bridges and rights of way as may be required for the construction of the State Highway, along the continuation of Mission street, known as the County road or El Camino Real, through this county and be it further

"Resolved, that the clerk of this Board of Supervisors be directed to forward a copy of this resolution to the State Highway Commission."

Brown suggested that the lighting of the State highway through the county was a matter that the board should take up at a future meeting.

The following lists of jurors were presented by the several members:

First Township—J Christen, Bert Clark, C H Loughlin, J D Altieri, F B Woodhouse, C A Reardon, H F Secor, F P O'Toole, L Fellman, E Squier, J Carmody, D Daggett, C H Stuermann, W Pitt, A H Gillespie, J Huff, J H Grady, J Leipsic, W R Markt, A H Schnutcuhaus, L Tavel, L R Lauer, C M Bogle A A Anderson, H Schulken, E V Chevalier, E D Dunbar, W Fahey, J A Boise, A P Scott.

Second Township—Faltin Dak, George O Roussel, John A Boyd, John V Clark, Frank Quinn, Jeramiah C Sullivan, M B Behrenz, W H Matthews, Frank G Whisker, B J Demartini, F F Bakewell, Jacob T Knapp, Geo Larsen, H F Gittings Sr., C J Robinson, F J Corbett, Major H Wallace, W L Johnstone, W H Morse, L H Newbert, John H Gibsen, W G Loveland, Walter S Heath, F J Rochex, John B Hays, Chris Eskilson, Otto P Schroter, Wm F Turnbull, William Michie, Hugo P Frear, Ira H Chapman, T W Keating, Wm Morris, Oscar Bolderman, J J Burke, L G Batchdler.

Third Township—James Zanoni, Berthram Blanchard, George Carter, William Chappel, Charles A Brady, William A Carnduff, Moses F Kavanaugh, Ira E. Merrill, G C Nahmens, E Kelly, John C Barg, Thomas W Epperly, Chas L Gould, Michael Reynolds, Edward V Shine, Henry F Butts, John W Glennan, Hiram D Haskins, Thomas J Coats, A S Goularte, Charles B Barton, Thomas G Durham.

Fourth Township—J A Bettencourt, Ed Frey, J Rue, L W Cardoza, Peter Gianni, W B Knoff, C W Borden.

Fifth Township—John Kinnear, T E Roe, Jas McCormick, Alfred Bloomquist, Geo P Ellis.

On motion of Blackburn, seconded by McEvoy, the list was adopted and declared to be the official list of jurors for the Superior Court for 1912.

Brown was given permission to employ the surveyor to make certain road surveys in his district.

On motion of Casey, seconded by Francis, Lynch & Devine, whose saloon at Colma was destroyed by fire on December 29th, were granted a rebate of their license for eleven months.

Casey called attention to the excessive grade of the San Bruno road where it crosses the railroad tunnel at Sierra point, and suggested that a resolution be adopted directing the railroad company to lower the grade to three per cent.

The matter was referred to Mr. Swart who doubted the advisability of adopting such a resolution since the county had not accepted the road. He advised that a communication be addressed to the company requesting that the grade be reduced.

The chairman settled the matter by volunteering to go before the railroadr authorities with Mr. Casey and to assist in explaining the situation to them.

George Van Buren, a representative of the Pacific Telephone Company stated that a telephone had been installed in the office of Health Officer Beatty at Colma for which a monthly rental of $7 would have to be charged. He explained that the company had to pay a monthly charge of $2.50 to the Unfted Railroads for the use of its poles for carrying the wire. If this price was considered excessive a four-party phone could be provided at a much lower cost. Since the telephone had been installed toll charges amounting to $55.60 had been incurred which he asked the board to liquidate.

McEvoy stated that the installation of the phone had not been authorized on account of excessive monthly rental. The board took no action on the claim.

The district attorney stated that the specifications for culvert pipe, furnished by the surveyor were indefinite and as he understood them, it would be a disadvantage to the county to call for bids according to them. It would be better to find out what pipe was needed and advertise for bids all at one time.

This suggestion met with the approval of the board and the order

AN IMPORTANT MEETING

Every citizen interested in the welfare of Redwood City should make it a point to attend the mass meeting to be held at the city hall next Monday evening. It is especially essential to the welfare of the city that citizens of the best possible character be secured to serve the city as trustees during the coming four years.

Not only is it essential that the men selected should be of unquestioned integrity and embued with a large amount of public spirit, but that they should be men who will command undivided support. To this end they should be selected by popular choice, and that this may bbe done all elements of the community should be represented.

A FORWARD MOVEMENT.

With the formation of the Park Commission, this city has taken another marked forward step in its methods of municipal government, one which should prove of material advantage in its civic development. Redwood City is and of necessity must always be essentially a residential section, and for its future development must to a large extent depend upon the attractive appearance of its streets and public parks. The proper planning and direction of this important work is one which requires not alone talent of a peculiar order, but the devotion of much time and patient labor, such ak of necessity can not be expected of the men to whom are entrusted the general management of the public affairs of a municipality.

The business like mtehods pursued by the commission in its organization and the intelligent care so far given to the details of the work indicate that no mistake has been made in the selectoin of the members of the new department. Not only have the members of the commissionn evinced a familiarity with the possible artistic value of the various treets and shrubs suitable to a climate and soil such as is to be found in this city, but they have indicated a readiness to devote the time and energy necessary to the accomplishment of their work. All of this promises much good for the future.

If, however, the new commission is to accomplish much of the desired good it must have more than the well wishes of the public, it must have their practical support. Owners of property must show a disposition to assume their share of the work and to bear a full share of the expense of an improvement which must ultimately result in the increased valuation of their property. More than this, each must show a disposition to abide by the will of the majority and to conform to the designs suggested by the commission, in order that there may be harmony in the execution of the general plan, without which all artistic efforts will be defeated.

While much may be expected from the work of the new commission, it must be borne in mind that in one essential particular the board is laboring under a serious handicap. So far the commission has absolutely no funds at its disposal, and with the generally depleted condition of the treasury there seems but little likelihood that funds of any material amount can be provided by the city. In this emergency it might be suggested that a splnedid opportunity is open for an exhibition of public spirit on the part of citizens of the city especially interested in this important work. While the commission has so far made no special appeal for funds, it is obvious that some little expense cannot well be avoided and this we have no right to expect that the members of the commission should bear from their private funds. It is sufficient that they should donate of their time and talent.

NEWS GATHERED FROM THE COUNTY

Interesting Notes Picked Up By Hustling Reporters in the Country Districts.

South San Francisco has made its first start for more beautiful streets. The first purchase of 250 trees made by the City Trustees has been set out along Commercial, Baden, Eucalyptus and Miller avenues.

The South San Francisco Improvement Company has secured the services of Frederick H. Tibbett, formerly professor of hydrographic engineering of the State University, to make a survey of the water front of the town. The survey is to be made with a view of securing an approximate estimate of the cost of dredging a deep water channel and basin to accommodate shipping.

Residents of San Bruno have caught the improvement fever. Harry Palmer of the fifth addition is making some extensive additions to his residence. J. J. Hearn, also a resident of the fifth addition, is having a complete system of modern plumbing installed in his house.

The trustees of Daly City are endeavornig to prepare an ordinance which will effectually put a stop to the practice of allowing chickens to running at large on the streets of the town.

A number of prominent Jewish residents of the Mission tract have entered a protest with the city trustees of Daly City against the construction of the school connected with the synagogue at that city, complaining that the building is not being provided with adequate sanitary appliances. When completed the building will accommodate 200 children, and it is feared that if used an epidemic of disease might result. The trustees have ordered work on the building suspended pending an investigation.

J. Nelson of Daly City appears to be the first claimant of ownership of the goose with the golden egg. Last week Mrs. Nelson killed a goose raised by herself and never out of the poultry yard, in the craw of which was found a gold nugget worth about $2.

The trustees of the Burlingame school district have issued their call for the contemplated $50,000 bond issue election, which will be held March 1st. Much of the opposition to the bond issue at first made its appearance has subsided. The chief opponents of the bonds were the people who did not favor the separation of the district from San Mateo, but as they now realize that the result of this election will not operate against the maintenance of the separate district the opposition is being withdrawn.

Two attempts were made to burglarize the residence of Jack Fitzgerald at Burlingame last week, both of which wer unsuccessful. The first was made on Saturday evening when the presence of the burglar was detected by Mr. Fitzgerald, who heard the noise made in the attempt to open the lock of the front door. The second attempt was made on Monday night, but the men were again disturbed in their work by Mr. Fitzgerald and scared away. In the last instance Mr. Fitzgerald got sufficient sight of the intruder to be able to give the officers some dsecription, but so far this seems to have mbeen of no assistance in the apprehension of the culprit.

L. S. Rogers and wife of Oakland have purchased the C. P. Morse residence at Moss Beach.

Plans and specifications for the new church at Montara have been completed and work is to be commenced without delay. The building, which will cost something over $1500, is being erected by the Evangelic Association and is expected to be ready for dedication by the middle of May.

The rutstees of the Halfmoon Bay high school have secured the services of Mrs. B. F. Nevinus of San Francisco as instructor in singing. A fine piano has also been purchased for the school as an adjunct of the musical department.

M. L. Bello, a driver for H & F. Levy, the merchants of Halfmoon Bay, is the latest victim to fall under the ban of the traffic ordinance of Hillsborough. Last Thursday Bello was arrested for driving over the roads of the millionaire city with a wagon loaded beyond the permirtted weight.

Residents of both San Mateo and Burlingame are still suffering from the epidemic of thievery which has been prevalent in that section for some months past. On Tuesday night burglars effected an entrance to the jewelry establishment of Benoit Bros. at San Mateo and got away with jewelry from the stock to the value of about $250.$ Last Sunday night the home of G. R. Blair at Burlingame park was entered by burglars, who secured articles of jewelry, silverware and clothing worth $200. So far the officers have failed to secure any trace of the perpretrators of either crime.

The Easton Civic Association will hold a public meeting on the evening of February 16th, for the purpose of discussing the school situation.

Mr. and Mrs. Hall C. Ross and Mrs. E. B. Whitney of San Mateo returned Tuesday from a week's puting in the winter snows of the Yosemite Valley. As trophies of the trip they secured a number of excellent photographs of the party in sports among the snows.

Belmont Notes.

In a closely contested game on the Belmont basket ball court last Saturday, a team from the Belmont military acadamy defeated a team from Stanford University.

W. Heincke, a merchant of San Francisco, has just completed a five room bungalow near the King tract. The location is an eligible one, and the new residence presents an attractive appearance.

Mr. and Mrs. J. Freitas, who are among the newly weds were given an old fashioned chivaree last Friday evening. After a short reseuade on the improvised "musical" instruments, the visitors were invited into the house and hospitably entertained.

Mr. Cable is here visiting Mr. and Mrs. Andrew Smith.

Homer Thayer and his brother, with two friends, came up to Pigeon Point for some abalones. They got 40 among the four men and on their way back to Santa Cruz were arrested for having two small ones. After bringing them to town and measuring the small abalones it was found they were seventeen inches so they weredismissed.

Dr. Blackburn is graveling the road from the Butano bridge into town. The road was getting full of chuck holes.

R. E. Steele is going toship a few thousand cords of wood to San Francisco by steamer from Pigeon Point.

L. Cobun is going to have a donkey engine pull up the willow wood and saw it into four foot lengths. As Le has had an offer for the land after it is cleared for garden purposes. He will show people that he is not as incompetent as they think he is. Heexpects to clear up about 2000 acres so as to have an income from the land.

A man by the name of Conner accidentally shot himself at the O. N. Steele ranch Friday. He was buried here on Monday.

MASS MEETING TO NAME MUNICIPAL CANDIDATES

There will be a meeting of the citizens at the new town hall next Monday evening at 7:30 o'clock for the purpose of selecting candidates for the coming election.

It is desired that the meeting be a representative one, including the citizens and businessmen, and all who have an interest in the welfare of Redwood City. A special invitation is extended to the ladies and it is hoped that they will take an active part in the conference.

The candidates seiected at this meeting will be the popular choice of the people and will be generally supported by the voters.

The following communication has been received from the Good Government League relative to the meeting:

At a full meeting of the executive committee of the Good Government League of Redwood City, held February 2, 1912, the following resolution was unanimously adopted:

Whereas, The municipal government of Redwood City is now on a reasonably satisfactory basis; and

Whereas, It is desirable to perpetuate in the community a spirit of good will and mutual helpfulness for the general welfare and advancement of the town; now

Therefore, Be it resolved that the Redwood City Board of Trade, the various improvement clubs of the town, and all other representative organizations and individuals be requested to get together for the purpose of selecting, or arranging for the selection of three suitable persons as candidates for the office of Town Trustee at the forthcoming election.

E. H. SAMPSON, President.

By W. H. KELSO, Secretary.

SAN BRUNO POSTMASTER DIES OF HEART FAILURE.

A. A. Green, postmaster of San Bruno and a well known citizen of the north end of the county, died suddenly at his home late Thursday night. Heart failure was supposed to be the cause of death. His appointment of postmaster had only been made three weeks ago. The deceased was a son of the late Judge Green, who was on the Superior Court Bench of San Francisco years ago. Mr. Green was prominent in the politics of the county, taking an actice interest in the Republican party. He was 62 years of age and leaves a wife, who is assistant postmaster, and four children.

The Stars Have Fallen.

Thursday the Stars wen out, their light was completely dimmed, and there was great darkness. The lights of the high school were so bright and strong that the slight twinkle of the Stars was scarcely perceptible. The morning after, the Stars are not in evidence, although there seems to be a bloody haze in the atmosphere. They went down at 25 to 17. The high school boys will play the San Jose team Friday afternoon. Come and see a good game.

MORE EXTENSIONS OF STREET LIGHTS

Council Makes Provision for Illumination of Dark Spots in Residence District

At last Redwood City is in possession of a modern building in which to transact the business of the municipality. From this time on, resident of the city may designate the place where its public business is transacted at the "city hall" without an apology for the use of the customary term. At the meeting of the council last Monday evening the new structure on Center street was given official acceptance and the keys of the building were turned over to City Clerk Plump by contractor R. A. McLean. During the past week superintendent of Construction McKenzie, under whose watchful eye the building has been erected, has been busy preparing for the reception and installation of the furniture, and early next week the headquarters of the city officials will be transferred to quarters arranged for the convenient transaction of public business.

Contractor A. Hess filed notice that he had completed the macadamizing of Jackson street from the county road to Adams street, and Hamilton street between East Bradford and East Fuller, and asked that the work be accepted. With the petition was filed an agreement by the contractor that the surface of the roadway of Hamilton street would be finished with an oiled surface whenever adjacent streets were finished in a similar manner. Street Superintendent Dickey reported that he had inspected the work and that it had been completed in accordance with the specifications and recommended its acceptance. No objections were offered by interested property owners, and it being stated that no dissatisfaction had been manifested, the work was given official approval.

R.A. McLean, contractor for the new city hall building, was allowed a claim of $1803.25 as a final progress payment on account of his contract, and in addition was paid several claims for extra work, aggregating $93.30. A. Hess was allowed claims amounting to $2,657.00, clearing up the final payments on account of the storm sewer outlet and bridges on County road. Charles P. Nott, contractor for the Center-street bridge, was allowed payments aggregating $1,173.50 as the final payment on his contract, including extra work.

The usual demand for the extension of the city lighting system made its appearance, this time coming in the form of a petition from residents of Grant avenue, asking for lights on that thoroughfare between the Woodside road and Addison street, signed by every resident. Still of the opinion that the extension of the lighting system was a sound municipal investment and convinced of the needs of their section, but little urging was necessary to secure the granting of the petition. The discussion of the petition, however, was the cause of the springng of something of a surprise on some of the trustees, when their attention was called to the fact that residnets of Vera avenue were complaining of neglect. A suggestion from Chairman Merrill that lights had never been asked for that street lead to an investigation of the records of Clerk Plump which disclosed that petition for lights on Vera avenue had been granted some time ago and an order given to City Electrician Werder to make the necessary extensions. This discovery was followed by a peremptory order from Mayor Merrill to the city electrician to see that the work was done without further delay.

Following up the question of adequate street lights, City Electrician Werder asked the council to provide some means of preventing the destruction of incadescent street lamps by air guns in the hands of children. As the difficulty appeared to be a difficult one to manage,by means of an ordinance, Trustee Hynding suggested that it might serve as a warning to parents to allow sections where lamps were destroyed in this manner to remain in darkness for a time.

The map of the second subdivision of the Eagle Hill tract, presented by the Moxey Realty Company was accepted.

In a formal communication, contractor R. A. McLean notified the council that he had completed his contract for the new city hall and asked that the building be accepted. For the committee on public works Trustee Hynding reported that the building had been inspected and found to have been completed in accordance with the specifications, and on his motion a resolution of acceptance was adopted. With the acceptance of the building came the necessity of selecting a care taker and after some discussion as to the amount of work to be required and the pay necessary, C. H. Offerman was appointed to the position of janitor, the matter of duties and compensation to be fixed later.

Chairman Merrill gave official notice of his appointment of the new Park Commission. A communication from Secretary Pioda of the commission informed the council that arrangements were under way for the planting of trees on the two main avenues of travel, the owners of the property agreeing to pay the cost of the trees and the planting, provided the city undertook the cost of watering and care for the first three years of their growth. This proposal met with the approval of the trustees, who also gave consideration to a plan for providing a permanent fund for the commission as a portion of future tax levies.

The discovery by City Attorney Mansfield that the place of meeting of the council must be changed by ordinance instead of by resolution awoke the trustees to the unpleasant realization that at least one more meeting must be held in the old quarters. The necessary ordinance was given its introductory reading, and with a view to the insuring of the holding of the next regular session in the new quarters the trustees resolved to hold a short adjourned meeting next Tuesday evening, to give it formal final passage.

An ordinance was given its first reading fixing the boundaries of municipal election precincts to correspond with those recently adopted by the Board of Supervisors.

It was decided to make Washington's birthday an event of special interest to residents of this city by adding to the occasion the dedication of the new city hall. Commencing at 2:30 on the afternoon of that day a program of special exercises will he held at the new building and the public given an opportunity to inspect the quarters in which their public business will be transacted.

Ciy Attorney Mansfield reported that he had prepared a new draft of the street railway franchise, embodying the suggestions made at the conference with the Board of Trade last week. This had been referred to Judge Fitzpatrick, that he might have an opportunity of investigate its provisions. This necessitated further delay and an order was made postponing consideration until the next regular meeting.

Ms. Frances King, mother of William King the well-known druggist, is very low and is not expected to live. She has been ill fora long time and on last week suffered a severe stroke of paralysis which leaves her in a weakened condition. Her death is momentarily expected. Mrs. King is an old and respected resident of Redwood City where she has resided for over thirty years. Her illness is a matter of deep regret among her numerous friends throughout the county.

Assessor C. D. Hayward was lured to Pescadero during the week by the accounts of the big run of steel head trout in the lagoon. It is said that the run was the largest ever taken place in these waters. Mr. Hayward is expected home today with a fine string of fish. He will be accompanied by A. D. Walsh, who has been fishing in the lagoon since the first of the week. Edgar Bartley of Menlo Parkcaught four trout weighing in the aggregate 45 pounds. He was here yesterday and says he never saw fishing so good as at present at Pescadero.

NEW PASTOR CALLED TO CONGREGATIONAL CRURCH

The members of the Congregational church held a business meeting last Sunday on the close of the morning service. Afer considerable discussion is was unanimously decided to extend a call to the Rev. Burton M. Palmer, pastor of the First Congregational church of Fruitvale. L. P. Behrens, S. P. McCrea, and Mrs. Robert Brown were appointed a committee to wait upon Rev. Palmer and offer him the local position.

On Monday the committee met Mr Palmer and talked the situation over with him. As yet he has not decided whether or not he will come to Redwood. He will preach here tomorrow and it is desired that a large attendance be present. Mr. Palmer is a graduate of Stanford University and for a time while attending college was pastor of the Presbyterian church at Menlo Park.

TIMOTHY TO PLEAD TO MURDER CHARGE TODAY

S. R. Timothy, the chauffeur who shot and killed J. J. Moore in front of the Moore home at San Mateo on the night of January 27, failed Thursday to secure his release on habeas corpus.

Judge Buck indicated that if the record of Moore's preliminary examination before Justice McCormick should show that there was any cause for the magistrate holding Timothy for trial, the Superior Court would have no power to release him on habeas corpus.

Judge Buck stated that he would review the evidence taken upon the preliminary examination and render his decision. If the court should refuse to order the discharge of Timothy the matter of admitting him to bail pending his trial for murder will be taken up and decided. Timothy will plead today to the complaint filed against him.

A Literary Treat.

Those who enjoy high class entertainment, should not fail to be present at William John Kohler's reading of the play of Hamlet, under the auspices of the Redwood City Woman'sc Club at the clubhouse, Dingee Park, Friday evenin., Febuary 16th at 7:45 sharp. An admission of fifty cents will be charged. Concerning one single Shakespearean character—Hamlet—there exists a literature greater than the entire literature of many countries. The reading of Shakespear today in addition to being a great inspiration to every soul, is in fact, an education, and a practical benefit to every man. Mr. Kohler, in his conception of the character of Hamlet (in which there has been so much controversy regarding Hamlet's sanity) has based his interpretation on the supposition that Hamlet was not mad, but assumed insanity to mask the carrying out of his purpose.

Local Church Services.

Rector A. W. Darwall will preach at both morning and evening services at St. Peter's church tomorrow at the usual hours. The Sunday school meets in the morning at 10 o'clock.

The usual services will be held at the Methodist church next Sunday . Sunday school at 10; preachin at 11 o'clock and 7:30 in the evening. The subject for the morning sermon will be "Sour Grapes;" for the evening, "God's Emergency Men." The anniversary of the birth of Lincoln and the Friedman Aid society will be observed.

Rev. Burton Palmer of Fruitvale will exchange pulpits with Rev. Mr. Kirtland of the Congregational church next Sunday. Rev. Mr. Palmer has recently been called bythe Redwood church to the vacancy caused by the resignation of Rev. Kirtland. He is an able preacher, ranking with the best on the Oakland side of the bay. While he has not accepted the offer made by the church he is considering it, and his visit next Sunday will afford an opportunity of a better mutual acquaintance.

Former Resident Dead.

Mrs. Mary Coffey, who resided on the Woodside road near this city from 1890 to 1902, died at her home in San Francisco last Saturday. She was the widow of the late John Coffey, one of the clevrest detectives that San Francisco has ever produced. Mrs. Coffey was an estimable woman, beloved by all who knew her. She is survived by Dr. Walter B. Coffey, Alfred I. Coffey, the architect, Henry E. and John W. Coffey. The late Joseph F. Coffey who aspired to be assemblyman from this county some years ago, was also her son. Mrs. Coffey was a native of Ireland, aged 79 years.

Sale of Home Cooking.

A sale of home cooked foods and delicacies will be held in the store room in the Fitzpatrick building, adjoining the Times-Gazette office, this Saturday afternoon by the ladies of St. Mary's Guild. The ladies will also have an assortment of useful and fancy needlework on exhibition which will be sold. The sale will commence at 2:30, and tea and light refreshments will be served during the afternoon.

Fomer Resident Dead.

Howard M. Hudson died suddenly at Palo Alto last Saturday of heart failure. He was about to get a dring of water when he fell to the floor and expired before medical aid could be called. The deceased conducted a jewelry store here before going to the College town where he had established a large concern. He was an affable man, the soul of honor and a great favorite with his many friends. His wife, who was much devoted to her husband, is prostrated with grief and cannot be consoled. She has the sympathy of this community in her sad bereavement. The remains of Mr. Hudson were cremated at Cypress Lawn Cemetery Monday last. James T. O'Keefe filed a petition in the Superior Court of Santa Clara county on Wednesday for letters of administration. The estate is valued at about $5000. The surviving wife is the only heir to the estate. Mrs. Hudson will most likely leave for the east after the settlement of the estate to reside with her relatives there.

COUNTY SUPERVISORS HOLD REGULAR BUSINESS SESSION

Continued from first page.

heretofore made directing the clerk to advertise for bids for culvert pipe was rescinded on motion of Casey, seconded by McEvoy.

The claim of the South San Francisco Light and Power Company for electric current furnished to the Colma Lighting District was laid over for correction.

On motion of Casey, seconded by Francis, James Downey was appointed inspector of the Colma and San Bruno lighting districts at a daily wage of $3, to be paid out of the funds of the districts.

Chairman McEvoy stated that the courthouse janitor had without authority ordered 20 tons of coal from a local dealer who had already furnished the fuel for the past year. This was contrary to the board's plan of giving such patronage to the three dealers, each for a year in his turn.

The chairman was authorized on motion of Francis, seconded by Brown, to have the sale canceled.

On motion of Francis, seconded by Brown, it was ordered that all General fund claims be examined by the county's purchasing agent to see if the totals are correct.

The following applications for liquor licenses, presented at the first meeting in January, were granted:

First township—Bernard Ward, San Bruno; George Burnitt, Visitacion; Garrett Welch, Bay Shore; F. Russi, Colma.

Second township—P. Archibald, Belmont; H. C. Caldwell, Belmont.

Third township—Cavalli Bros., La Honda.

Fifth township—McCormick & Son, Pescadero; R. Cory, Pescadero.

The following applications for liquor licenses were read and will be acted on a month hence:

First township—E. Schneller, Rockaway Beach; Marten Andresen, Bay Shore; M. Lamm, San Bruno; James Cawley, Salada; Charles Mirrel, San Bruno.

Fifth township—E. J. Montevaldo, San Gregorio; J. C. Amaral, Pescadero.

Adjourned until Tuesday, Feb. 6th, at 1 o'clock.

Tuesday's Meeting

The board met in adjourned session Tuesday at 1 p. m., all of the members being present except McEvoy.

Brown was elected presiding officer on motion of Francis, seconded by Blackburn.

Auditor PUnderhill appeared before the board and asked that action be taken on his claim of $18, expenses incurred in going to San Francisco to count the county's money on deposit.

As the claim had been referred to the district attorney to advise the board as to its legality, and no report has yet been returned no action was taken.

Adjourned to Monday, February 19th.

WILL NOT SATISFACTORY; HEIRS MAY GO TO LAW

The children of the late Mrs. Henrietta M. Grimmenstein are dissatisfied with the disposition that she made of her property and it is possible that there will be a contest of her will.

Mrs. Grimmenstein died on January 25th from injuries received by a fall some weeks previously. Her will which was executed January 23d disposed of an estate valued at over $4000 to three of her children, August and Albert and Mrs. Emma Short.

Referring to her other children who are not provided for, she says: "I do for good reason, but not for any ill will, fail to give any of my property to my children, Henry E. Grimmenstein, Mrs. Lizzie Worth and Mrs. Florence Wildener."

Henry Grimmenstein resides at Indianapolis, Mrs. Worth at San Mateo and Mrs. Wildener at New York. Mr. Grimmenstein is a prosperous perfume manufacturer and has lived in the east for some years.

The heirs who do not share in the estate claim that their mother was unduly influenced by her other children and that by reason of her illness she was not competent to make a will. They have employed James T. O'Keefe to represent them. It is possible that a compromise will be effected.

Accused of Selling Diseased Meat.

Dr. Wood C. Baker, president of the San Mateo Board of Health, caused the arrest of Max Gurvitz last Thursday on a charge of offering diseased meat for sale. Gurvitz has a slaughter house near this city and conducts a business in San Mateo. The warrant was issued by Justice McCormick, who arraigned Gurvitz and released him on $25 cash bail, when he pleaded not guilty. His hearing will be heard later. Dr. Baker intends to prosecute the case vigorously.

To Please the Palate

is our aim in serving meat—to retain the fine flavor Nature bestows, not to let it go to waste, as some meatshops do. With prolonging this true tale, it may be set down for a fact that here is to be found a first-class place to purchase beef, mutton, lamb, ham, poultry and game, to give your table good credit with household and guest.
